

Ipplepen Primary School
PE and Sport Premium for Primary Schools 2016/17

Children on role: 183 (October 2016)

Grant Allocation: £8,779 (2016 - 2017)

Intent of expenditure for academic year 2017/18:

- Teacher insets on specific areas to help develop the quality of teaching (KS1/2: basic ball skills, invasions games - delivered by Premier Sport and Growing People (Devon).
- After School Games Club to increase PE and Sport participation across the school (Saints South West Sports Coaching and school staff).
- Continuation of swimming provision for children from Year 1 - Year 6
- Sports equipment purchases/upgrades.
- Gifted and talented opportunities - developing those children who show a particular aptitude to sport.

How has the PE and Sport Premium grant made a difference to our school?

Teachers have, and will continue, to benefit from numerous training on a range of sports helping them to develop their PE and sports skills which in return has enhanced and developed the children's learning in these sessions.

Increase in participation of sport during after school clubs. Children continue to enjoy the opportunity to take part in various after school clubs delivered by Saints South West and school staff. It has been wonderful to see the increased participation throughout the school.

Daily lunchtime activities set up by school playleaders has been extremely popular with the children helping to achieve more PE and sport participation. Activities vary offering a range of events for all abilities and ages.

Across the federation we offer high quality swimming provision for all children with each class continuing to have their statutory 3 x hours of

lessons per year. (In 2017/2018 we know that swimming will cost approximately £40,000). We have managed to secure extra swimming slots/instructors at Newton Abbot Leisure Centre Swimming Pool which are reserved for our children that require additional support with their water confidence. Also the PE and Sport premium fund has helped finance transport costs to and from the swimming pool. This is supplemented by the school budget in order to give parents every opportunity for the children to take part swimming at no cost.

Children who have a particular sporting talent are offered extra opportunities to take part in training and competitions.

Sporting equipment is being continually updated making sure that high quality equipment is available for all classes to use.
